File No. 189 of 1907

Muzrai Secretary's remarks:—

On a former occasion in 1904, the former Swamy made a similar request to be paid Rs 22000/- out of the accumulated Savings of the Matt's income in the hands of Government, with the view of redeeming certain gold articles which had been pledged by the Matt with certain merchants. Thereupon the late Dewan Sir. T. V. Krishna Murthi K. C. I. E. was pleased to direct on 27th December 1904, that "the matter must lie over till the question of endowments to the Matt which are held under attachment

is finally settled", vide linked file.

At present, the case of the Uttaradi Matt, which was heard some time back, is under the consideration of the Government.

Until the case is finally disposed of and a decision arrived at as to whether the accumulated Savings should not be retained by the Mysore Government for payment to the Shanbhogues and other hereditary servants who have obtained decree against the Matt, and for defraying the cost of repairing the many Branch Mutts in the State, it does not seem desirable to pay any money to the Matt.

A reply to the above effect may it is submitted be sent to the Swamyalu.

Submitted to the Dewan thro' the 2nd Councillor

I agree with the Muzrai Secretary. The Matt has vast resources outside Mysore, which can be operated upon for meeting the expenses of the Canteen. plated trip to Udipi.

"The Agent has also asked for Rs 15,000/- to meet "the expenses of the Swami's tour in Udipi. I do "not see any objection to this being sanctioned "as the expense is fairly chargeable to the "income of the Matt."

Extract from the Note dated 6th Sept^{r} 1909, submitted by the present Dewan, on the subject.

"In view however of the urgent demands "on the Matt in connection with the Swamigal's "recent visit to Udipi, a sum of Rs 15,000/- asked "for by the Matt may, as recommended by Mr. "Madhava Rao, be paid as this is fairly chargeable "to the income of the Matt, lest the Swamigal "should run into debts on that account."

I would have submitted drafts in both cases had not new events intervened. Here are the attachments of the money now in the hands of Govt in execution of the decrees ~~obtained~~ referred to in the Govt order. The question whether such money is liable to attachment or not is decided by the decision. If ~~in both~~ it is decided to be liable to attachment it would serve no useful purpose to have the Lands and Villages under Govt management. If they are not liable the management may with advantage be entrusted by Govt. In both cases settlement of this question I am waiting for the promised petition from the Asstt Agent to show why the money cannot be attached. I should send him and submit the file soon.

In the meantime there can be no objection to the issue of the order asked for by the B.I.S.N. Co. and by the Asstt. I believe the money may be paid on production of a special Power of Attorney.
